## IN THE PHILIPPINES.

Demands continue to be made for the complete independence of the Philippine islands. This is not buchuse of theare ent report of Governor General Wood for it has been urged for a number of stars. It occurs from a certain element among the Blanders and can be expectno to continue regardless of what the conditions are within or without, but this country is not disposed to set the twiands adrift just because there are those in them who are not only willing out anxious to take chances with their ability to handle the affairs in the isl-

Governor General Wood reported that progress was being made by the isl- on the Cunard line, but if it isn't justified anders and that conditions in the isl- the steamship company has some exands were good, but he pointed out a plaining to do. number of reasons why they should re-men under the guidance of the United States and get the benefit of the instructhen in self government for some time set, instead of yielding to the ciamer of on party seeking independence.

wanted the territory or because we nought the job of directing the affairs They came to us as the result of the Spanish war and we have a mora

emiorse their ability to look out for themselves before any cutting loose is at "You look all tired out, poor man! tempted. It is one thing to think what can be done when reliance is being placed on someone else, but it is another thing when the responsibility resin entirely on your own shoulders.

There are others who have undertaken to administer their own affairs where the reason for it was far greater than it is in the case of the Filipinos, but there are light spots. Now, today I laughed my head off listening to a woman trying to sell Dumhart some oil stock. She certainly had a good line of statisty and Dumhart sat and became there is a sufficient degree of assurance that success rather than failure is, a sufficient degree of assurance that success rather than failure is, a sufficient degree of assurance that success rather than failure is a sufficient degree of assurance that success rather than failure is a sufficient degree of assurance that success rather than failure is a sufficient degree of assurance is a sufficient degree of assurance in a success rather than failure is, a head it up. The heavier she laid to the more golden became the glow sucrounding him, and by the time she had finished it was plain to be seen that old Dummar should be seen that success rather than failure is, a finished it was plain to be seen that old Dummy felt binnelf a combination of Julius Caesar, Napoleon, the whole of Wall street and Apolio Belvedere. It's funny the way some men fall for that stuff!"

"It certainly is!" agreed the beautiful young woman assistance of the construction and improvement of the Eric canal. It is possible to load material in Euffale and bring it by barge to Norwich and that respect," agreed the energetic later in, for instance. Lots of men there is a first only your sallity but your sallity but your sallity is agreed the energetic later in, for instance. Lots of men there is a sufficient to incomplete the second that it is possible to load material in Euffale and bring it by barge to Norwich and

is possible to load material in Euffalo and bring it by barge to Norwich and other points in New England and it has been done during the past season. That affords transportation by water as a means of relieving congestion on raironals and obtaining lower rates, it is interesting to note in this connection.

In a "Well, I guess I'm not like him in that respect," agreed the energetic young business man, with a lofty and reminiscent grin, "I never remember the time when I couldn't see through that game! I can't stand flattery—it is an insult to one's intelligence!"

"You couldn't have labeled it better "agreed the heautiful young wointeresting to note in this connection that Norwich has contributed to the interesting of weather of the contributed to the interesting to note in this connection that Norwich has contributed to the interesting of the beautiful young woman admiringly. kable as was his speech it did not serve to raise any real doubt as to order of things has been passing, and the guilt of all the prisoners, and it required little effort on the part of Mr. Paino to expose the fallacy of his mind, and replacing many picturesque

In Pimples, Could Not Sleep. Cuticura Heals.

" For about twenty years I suffered with ecsema on my head and face. At first it broke out in pimples and after a while became red and scaly. The itching and burning were so severe that I scratched and uritated the affeated parts, and at night I could not sleep because of

the irritation.

"I tried different cintments but nothing helped. I began using Cuticura Soap and Ointment and after using four cakes of Cuticura Soap and four boxes of Cuticura Ointment I was healed." (Signed) Mason Davis, 13 Dresser St., Southbridge, Mass., May 12, 1921.

Improve your skin by daily use of Cuticura Soap, Ointment and Talcum. Sample Each Tree by Mail Address: "Sufficient Tol-cratorias, Days, E. Maides 46, Mass." Sold every where, Seen Se. On mental Samillor, Tricon See Seen Cuticura Soap shayes without mus

men, and children's appearance is the inevitable 'whakin' white cheroot.' It is said that a mother often transfers is said that a mother often transfers her lighted cigar from her own mouth to that of the wee child in her arms; and no lady would start on a dress parade without taking a necessary stock of 'smokes' to supply her while she is out. This cheroot is more like an over-grown cigarette than anything else, and is said to contain but a small portion of the real tobacco leaf.

"Another Burman cutom common to

"Another Burman cutom common to "Oh, in some ways, or, of course, absolute truth, so there! I should be boys, girls, men and women is kunyou wouldn't have picked him out frightened to try it—you are so big
for a partner," said [ ] handsome and can look so stern!" to smoke between chews and chew between smokes, but to have little time for anything eise. The betgi nut is chopped fine, a red lime paste is spread on a certain kind of astringent leaf and all are jammed into the mouth together. Then the chewing begins, To extract the last bit of flavor from the combination, the chewer contorts his face while his cheeks puff out more and more, until fimily discomfort compels him to start again with a fresh 'charge.' again with a fresh charge.

"The Burman has a pride that makes him in his own estimation second to none on earth. He is descended from angels who came on earth and gradually adopted the ways of human beings. His kings, before the days of Tachaw and his queen, Supiyawlat, had compiete power over their subjects and wore a list of titles which make the letter-abbreviations of orders after the name of a British celebrity seem few by comparison. These potentates were content, however, to be known as the Lord of the White Elephant, for

"There is no elaborate caste system among the Burmans . 12 that which proves a curse among the Hindus, but certain classes are outcasts; the pagoda slave gengoda save remains a pagoda slave gen-eration in and generation out; a grave disger never hopes to rise above his occupation and his benighted social position; and the lepers, beggars and the deformed or maimed are believed to exfer the stigma of some terrible sin of a former existance. "The Hurman is the cleanifest and

dressiest of the races of his country but his gaudy silk shirt is on indication that his pockets will give forth the merry tinkle of coin. In this sparse-ly populated country one finds Tala-ings, Shans, Karens, Kachins, and the Chins, whose manner of dressing would call forth little comment if they would only keep their clothes on. "As strict Buddhists these people

are not supposed to take life in any form, special and uncomfortable he being reserved for fishermen and hun ers; but few of them manifest any un-willingness to eat the quarry when it is served as food. "One respect in which the Burmes

One respect in which the Burnese shine as a people among the other Orientals is in the position of their women. Though they consider a man far superior to a woman, and though her fondest hope is that she may be born to this high estate in some future existence, she walks the streets in ab-solute freedom and purs her chereot to her heart's content. She takes part in and quite often has complete charge of, the business affairs of the family, retailing her wares in a stall in a ba-zear or market, figuring her accounts. zaar or market, figuring her accounts in her heall-for she never has any schooling-and meeting her husband's friends on the same plane with him in the household.

"Courtship in Burma is a more open and natural flirtation than it is in al-most any other part of the East. The terest at one of pagoda feasts by shy

We take pride in calling particular attention to our record - One Hundred and Ninety-Five Consecutive Semi-Annual Dividends.

COSTELLO LIPPITT, Treasurer.

attentions; he then calls in company 600 bushels of potatoes this year, with his boy friends to find that the Spain has 722,000 horses and 1,200,with his boy friends to find that the young lady with a bevy of her friends is awaiting him, fle means business, however, and if the families consent he persuades her to eat a meal with him in public, and by virtue of this procedure his buchelorhood is brought

to an abrupt end. "Before the young girl in Burma makes her debut she must have ears pleaced for earrings. The holes are kept open and calarged by wearing in them glass or metal tubes of increasing size until they are half an inch in diameter, capable of carrying weights.

When a lawyer makes a mistake, it is just what he wanted, because he has a chance to try the case all over again.

When a curpenter makes a mistake diameter, capable of carrying weights similar to the decarations worn by the similar to the decarations worn by the South Sea Islanders, in olden times the fashion demanded much larger holes than those in vogue at the present that the present that the same a carpenter increase. When a doctor makes a mistake the buries it. than those in vogue at the present time, and many an old flurmese lady uses hers, as holders for her cheroois, some what after the American doughboy's conceit of wearing a fag behind.

When a preacher makes a mistaks, nolody knows the difference, boy's conceit of wearing a fag behind.

A dead man in Burma always pays his fare across the mystic river of death with a small coin which he car-ries in his mouth. The curse that rests on grave-diggers as a class probably comes from the fact that most of the men of this trade have no scruples about digging the poor wretches up for their coin. It is believed that this causes the spirits of the disturbed one to return to this world to softer all the ills that the Burman imagination can conjure up for them."
